NASA NEWSLETTER FOR
INTERNATIONAL ULTRAVIOLET EXPLORER (IUE)
No. 31

August 20, 1986

Dear Colleague:

It is a pleasure to transmit to you IUE NEWSLETTER No.31. Due to a heavy schedule of meetings (Three-Agency meeting in June, the IUE London Conference in July, etc.) contributions to the NEWSLETTER have been slower than usual, and hence the delay. A Table of Contents is shown on the following pages.

As before, the support from contributors and the preparation of the manuscript by Ms. Mona Drexler is greatly appreciated.

Sincerely,

A handwritten signature in cursive script that reads "Walter A. Feibelman" followed by a long, horizontal flourish.

Walter A. Feibelman
Laboratory for Astronomy
and Solar Physics
