

THE NASA IUE OBSERVATORY SCHEDULE

We present here the NASA IUE Observatory schedule for June 1987 through November 1987. Each month's schedule lists the date, local starting time, Principal Investigator, program identification code, and staff members' initials for each shift. The schedules presented here are accurate as of 2 September 1987. Further information regarding the IUE Observatory schedules can be obtained from the IUE Resident Astronomers (301-286-7537).
