

IUE USERS' COMMITTEE MEMBERSHIP

The IUE Users' Committee serves as an advisory group to the IUE Project. The group is composed of ten representatives of the IUE Users' community and two user representatives to the IUE Long-Range Planning Committee. The IUE Project and the IUE Users' Committee encourage the IUE community to voice any ideas or concerns to UC members. The current members of the Users' Committee and their addresses are listed on the next page.
